Re: Petition for Plan Conformance
Borough of High Bridge, Hunterdon County, NJ

Please find enclosed The Borough of High Bridge Petition for Highlands Plan Conformance, Planning Area.

The Borough has moved through the process with the assistance of Darlene Jay and a sub-committee comprised of members from the Planning Board, Borough Council, the Environmental Committee and the Borough Administrator. The process also included several presentations to and input from both the High Bridge Planning Board and the Borough Council. All required approvals from both the Planning Board and the Council were obtained and are enclosed.

The Borough has addressed all requirements to the best of its ability.

Please be advised that Douglas Walker, High Bridge Borough Administrator, will be the Borough's contact person for all Highlands related matters. Doug can be reached on 908.638.6455 x 8.

Your review and consideration of the Borough's petition is greatly appreciated.

Sincerely,

Mark Desire, Mayor
