### Updated Public Notice Highlands Applicability Determination Review September 16, 2009

**Please take notice** that the Highlands Water Protection and Planning Council (Highlands Council) has received an amended Highlands Applicability Determination (HAD) application for the Preservation Area and for the Planning Area for the following project:

#### **Tennessee Gas Pipeline Company 300-Line Project, Sussex and Passaic Counties, NJ**

In accordance with the Highlands Regional Master Plan, the Highlands Council staff has prepared a draft Consistency Determination for the above-referenced project, which is available along with information from the application for public review and comment at:

<http://www.highlands.state.nj.us/njhighlands/projectreview/>

Comments may be provided **on or before Friday October 2, 2009** by email to: [chris.ross@highlands.state.nj.us](mailto:chris.ross@highlands.state.nj.us). Comments may also be provided by mail or hand delivery to the address above but must be received by 5:00 PM on this date. Electronic submittals are preferred. Subsequent to the close of public comment, a revised draft Consistency Determination may be prepared. It is anticipated that the draft Consistency Determination for the above HAD application may be reviewed by the Highlands Council at its regularly scheduled meeting on **Thursday, October 15, 2009 at 10 a.m.** The Highlands Council may consider the draft Consistency Determination by way of a formal resolution in which case an opportunity for public comment will be provided. However, it should be noted that the opportunity for public comment at the Council meeting may be limited and that the Council may vote on the resolution the same day. Therefore, the applicant and the public are strongly encouraged to provide all comments and information during the initial comment period on the draft Consistency Determination.
